Get ready for

a video by the students ..

of the students ..

and for the students.

Coming soon: your chance to help create a student-produced video that gets real about what we need to do now in order to get the life we want after graduation.

You'll work with film professionals and have access to state-of-the-art facilities to create a video that speaks the truth to teachers, parents, administrators and fellow students.

Stay tuned for more details soon

GROW. PREPARE. SUCCEED.

Helping students navigate from passion to profession.
